Pluspunten

- + Natural material
- + Product with a history and story
- + Unique, there is no second of it!

Minpunten

- Peut présenter de légères traces d'utilisation

Frazada rugs are traditional hand-woven blankets from Peru. They are made by local craftsmen who use ancient weaving techniques.

These carpets are known for their colorful patterns and sturdy quality. Each Frazada rug is unique and tells a story through the symbols and reductions incorporated into it.
